Construction Controls Group

Program Mgmt:
URS/BuildLACCD

Ground Breaking: November 2005

Completion: April 2008

Total Project Budget: \$12.5 Million

Funding: LACCD Sustainable Building Program and State funds

L.A. Southwest College's Northeast Quadrant and Entry Plaza has drastically modernized and reshaped its entrance making it more accessible and college-oriented. Additionally, construction of the roadways, parking areas, underground utilities and lighting fixtures on the 5.15 acre site has also occurred.

Other improvements include the addition of pedestrian walkways, an amphitheatre and landscaping.
